

FROM TOKYO TO CERRITOS. HI, WE'RE UNIQLQ!

We are a modern Japan-based global company, proud of our origin and coming to a local city near you.

MEET THE NEW FACES IN THE NEIGHBORHOOD!

UNIQLQ is more than clothing, we are LifeWear. We make clothes for a better life, for everyone, every day and we are excited to come to Los Cerritos!

I've been with UNIQLQ since SF Powell's opening and was fortunate enough to help open the first west coast mall store at Hillsdale Shopping Center in San Mateo, CA. I am very excited for the opportunity to open another UNIQLQ at Los Cerritos Center because it's not only something new and different for the city of Cerritos, but also a new learning experience for me.
